

KISS & MAKE-UP

Whether you're wanting to Update your make-up look, experiment with new colours/ textures or just have a fun group lesson with your friends! Kiss and Make-up lessons are ideal for all ages!

2018 Lesson Information

All lessons include face shaping, colour coding, brow shaping, a personalised makeup chart with recommended products and a "how to "makeup manual.

Your lesson will start with a consultation discussing your lifestyle, personal style and beauty concerns you might have. We will then design looks that will ensure your features are beautifully and easily enhanced, I will perform a makeover on one side of your face and guide you as you proceed to achieve the same look on the other side of the face.

Back to basics

This lesson is the ideal option for those who feel like they would like to wear make-up, but don't know how. We start right at the beginning and create a classic make-up look for you, answer all the questions you have and teach you why and how to achieve the desired look.
